

MIXED MARTIAL ARTS UNIFIED RULES FOR YOUTH COMPETITION

[As of January 2021]

1) SCOPE:

Amateur Mixed Martial Arts [MMA] competition shall provide participants new to the sport of MMA the needed experience required in order to progress through to a possible career within the sport. The sole ethos of Amateur MMA is to provide the safest possible environment for combatants to train and gain the required experience and knowledge under directed pathways allowing them to compete under the confines of the rules set out within this document.

It is recognized, through the International Mixed Martial Arts Federation [IMMAF] that varying country legislation may differ from region to region and this can be reflected in the resultant documentation and rules sets from the member countries. The annual IMMAF MMA World Amateur Championships or indeed any IMMAF open tournament globally may be held in differing countries and as such changes shall be facilitated and known prior to competition. What we are striving for in conjunction with the unparalleled safety conscious nature of the combatants is a unified and an aesthetically common identity of the sport of Mixed Martial Arts for amateur competition.

There shall be an “over and above” policy instructed to officials when it comes to dealing with the safety of the youth participants, this shall be further detailed throughout this document.

The IMMAF currently recognizes and regulates 5 [five] different categories of Amateur Mixed Martial Arts competition:

IMMAF Senior 18+ IMMAF
Juniors 18 - 20s (U21) IMMAF
Youth A 16-17s (U18) IMMAF
Youth B 14-15s (U16) IMMAF
Youth C 12-13s (U14)

The rules as set out in this document shall be applied to, and be in accordance with, any IMMAF Youth tournament held globally.

2) **DEFINITION:**

“Mixed martial arts” means a combat competition involving the use, subject to any applicable limitations set forth in these Unified Rules, of a combination of techniques from different disciplines of the martial arts, including, without limitation, grappling, kicking and striking.

3) **JURISDICTION:**

The Referee shall remain the sole arbiter of a contest. All contests and exhibitions of mixed martial arts must be conducted under the supervision and authority of the commission/host regulatory body.

4) **ROUNDS:**

Each contest under IMMAF Youth regulation shall consist of the following:

IMMAF Youth A 16-17s (U18) 3 x 2 minute rounds duration with a 1 minute rest period.
IMMAF Youth B 14-15s (U16) 1 single round of 4 minutes duration.

IMMAF Youth C 12-13s (U14) 1 single round of 3 minutes duration.

The premise here is in granting the participants the necessary additional and incremental competition times [increasing with age] during matches, rising from 3 to 4 to 6 minutes respectively.

No contest should be allowed over a two round format as the likelihood for a drawn result significantly increases.

5) **STOPPING THE CONTEST:**

The referee and the ringside physician are the only individuals authorized to enter the ring/fighting area at any time during competition, and the referee is the sole arbiter of a contest and is the only individual authorized to stop a contest.

6) **JUDGING:**

All contests will be evaluated and scored by the referee and a 2nd official/table judge should the need to confer arise.

7) **SCORING SYSTEM:**

The Unified Criteria currently utilized at IMMAF Senior & Junior tournaments shall be applied and used in determining the winner of a contest based upon its effective use and application.

8) **WARNINGS:**

A single warning will be issued for the following infractions only:

- 1) Holding or grabbing fence
- 2) Holding onto opponent's shorts, gloves, shin-guards or rash-guard

The technical restrictions detailed above shall both allow and facilitate young competitors to garner the necessary time and experience in a competitive format without the risk of unnecessary injury or trauma suffered.

4 As a result the referee's shall be instructed to allow the techniques to be freely and openly used and applied but not necessarily finished. In other words a young competitor who has been caught in a legal submission hold shall not be permitted the same leniency and time that an advanced senior would have to utilize an escape. We must recognize that at such an early age the emphasis will be exaggerated from a safety first perspective in not allowing or risking unnecessary injury to our young athletes. Fouls resulting in a point[s] being deducted and as signaled by the referee must result in the deduction from the offending contestant's score and is to be notated by all three judges and official scorekeeper.

Only a referee can assess a foul, if the referee does not call the foul then judges must not make that assessment on their own.

A fouled contestant has **up to** 5 minutes to recuperate. This **is not** applicable to all fouls.

If a foul is committed the referee may call time should the fouled contestant show any visible sign of distraction or injury.

- 1) The referee shall call time.
- 2) The referee shall check the fouled contestant's condition and safety.
- 3) The referee shall then instruct the fouling contestant to a neutral corner, assess the foul to the fouled contestant, deduct points [if required] and notify the judges and official scorekeeper.

If a bottom contestant commits a foul, unless the top contestant is injured, the contest will continue without referee intervention.

- 1) The referee will verbally notify the bottom contestant of the foul.
- 2) When the round is over, the referee will assess the foul and notify both corners, the judges and the official scorekeeper.

Fair Blows: If injury is severe enough to terminate a contest, the injured fighter loses by TKO.

Fouls:

Intentional

- 1) If an injury is severe enough to cause the immediate termination of a contest, the contestant causing the injury loses by disqualification.
- 2) If an injury is produced and the contest is allowed to continue, the referee will notify the authorities and automatically deduct 2 points from the contestant who committed the foul. Point deductions for intentional fouls will be mandatory.
- 3) If an injury as described in (b) above is the cause of the contest being stopped in a later round, the injured boxer will win by TECHNICAL DECISION, if he is ahead on the scorecards.
- 4) If an injury as described in (b) above is the cause of the contest being stopped in a later round, the contest will result in a TECHNICAL DRAW, if the injured contestant is behind or even on the scorecards.
- 5) If a contestant injures himself while attempting to foul his opponent, the referee will not take any action in his favor, and the injury will be the same as one produced by a fair blow.

Accidental

- 1) Any injury severe enough for the referee to stop the contest immediately, will result in a NO CONTEST if stopped before 2 rounds have been completed in a 3 round contest or if stopped before 3 rounds have been completed in a 5 round contest.
- 2) Any injury severe enough for the referee to stop the contest immediately after 2 rounds of a 3 round contest, or after 3 rounds of a 5 round contest have occurred, the contest will result in a TECHNICAL DECISION, awarded to the contestant who is ahead on the score cards at the time the contest is stopped.
- 3) If injury (b) above occurs, there will be no scoring of an incomplete round.
- 4) If injury (b) above occurs, and the referee penalizes either contestant, then point(s) shall be deducted from the final score.

The protocol and point deduction criteria currently utilized in Junior/Senior IMMAF competition shall be the same throughout the youth tournaments, the premise being that we are compete under and adhering to as close to a single and unified rule-set as possible for all IMMAF tournaments.

In youth C and B categories where a single round is contested technical decisions shall not be employed. If a referee determines that a contestant cannot continue as the result of an accidental foul the uninjured contestant shall advance in the tournament. Only in Youth Category A contested over three rounds can we revert to our standard protocol.

In a tournament format where contestant progression and medal placing is needed, no contests and draws cannot be applied. In such instances if the three rounds of competition [Youth category A only] have resulted in a draw [point deduction] then a fourth period/over time round shall be contested. In the event of a point deduction that results in a score draw in the over time round then the fighter who committed the foul and had the point deduction shall be eliminated from the tournament, the opponent who did not commit the foul advances. This rule can only be applied to the fourth overtime round.

Only in a tournament format should overtime rounds be contested. At all other times the Referees evaluation and decision remains final.

19) SCORING TECHNIQUES:

Effective Striking/Grappling shall be considered the first priority of round assessments.

1) Effective Striking/Grappling Legal blows that have immediate or cumulative impact with the potential to contribute towards the end of the match with the IMMEDIATE weighing in more heavily than the cumulative impact.

Successful execution of takedowns, submission attempts, reversals and the achievement of advantageous positions that produce immediate or cumulative impact with the potential to contribute to the end of the match weigh more heavily than the cumulative

14 impact. It shall be noted that a successful takedown is not merely a changing of position, but the establishment of an attack from the use of the takedown.

Submission attempts that cause an opponent to tire and weaken, taking considerable effort to escape shall be given greater weight when scoring than those attempt that are easily defended and escaped without effort. Impactful throws and takedowns are weighed more heavily than athletes who are tripped or bundled to the mat.

This will be the deciding factor in a high majority of decisions when scoring a round.

Scoring:

Under IMMAF Youth competition the referee in charge of the match shall determine the

winner of the contest based upon the evaluation and use of the criteria as set out within this document. For Youth Category A matches contested over 3 rounds the referee shall carry a small notepad and pen kept with the 2nd official/scorekeeper for notation of scores applied to the round and these are to be made within the one minute rest period.

The referee, at their sole discretion can utilize the opinion and consultation of the 2nd official/table judge to deliberate and determine the winning contestant in a close match.

It should be noted that prior to commencement of any youth tournament the criteria and protocol for decision making is to be made known to the contestants and their coaching team. It shall also be strictly and firmly stated that there will be a zero tolerance policy for remonstrations and/or determined un-sportsman like or aggressive behavior toward any officials as to the decisions made.

This is an amateur sport and in this particular format designed and designated for the youth and ultimately the future of the sport. The behavior that they both witness and employ today shall be the image and portrayal of the sport of mixed martial arts tomorrow and as such a respectful “fair play” attitude is to be expected and encouraged at all times.

The appeals process is not for review of any rendered decision made by a referee. The process is there for any illegal or missed action that could have resulted in a differing outcome of the match. Examples include a missed foul or a submission missed by an official. This procedure shall also be firmly and clearly communicated prior to the commencement of the tournament.
